Umm Qais: A beautiful place in Jordan

Umm Qais is in the north of Jordan. It is about 110 kilometres from Amman, and it is near Irbid. In the past its name was Jadara. There are a lot of Roman buildings in Umm Qais. They are very interesting. This is a photo of the Western Theatre. I think that this is the most beautiful building. There is a big hill in Umm Qais. You can see Lake Tiberias from the top of the hill. It is very beautiful. There were walls around Umm Qais in the past. There were also Roman roads. It is a very interesting place. I want to visit Umm Qais with my family.

Dear Nadia,

This summer we went to Aqaba on holiday. Aqaba is in the south of Jordan by the sea. I went with my family and we travelled there by car. We stayed with my uncle and aunt in their house. There are a lot of buildings in Aqaba. They are very beautiful. This is a picture of the castle Ayla. It's very interesting. This was my favourite building. There are some beautiful beaches in Aqaba. You can swim in the sea. We spent a day on the beach. I like Aqaba. We had a good time and I want to go there again one day.

Best wishes,

Fatima
