

## Exercises of Student's Book

### Lesson-1

1 Following the Listening Strategies, listen to a specialist talking about three places. Match them to the descriptions and the pictures above.

a. It was the capital of an empire more than 3,000 years ago.

Picture (2).

b. It took people 2,000 years to build it, and we still do not know why it was built, or who built it.

Picture (3).

c. It's a religious site, older than the pyramids.

Picture (1).

2 Listen to the words below in context. Try to guess their meanings.

| word           | meaning        |
|----------------|----------------|
| prehistoric    | ما قبل التاريخ |
| complex        | مجمع           |
| ditch          | حفرة، خندق     |
| heritage       | إرث            |
| empire         | إمبراطورية     |
| site           | موقع           |
| to carve       | يحفّر، ينقش    |
| to incorporate | يدمج           |
